## Engaging all members of the asset management community, our flagship event has gone virtual

---

Sponsoring this event will place your organization in a unique position to promote your brand, products and services to the key decision making individuals amongst your target client businesses. Sponsoring various elements of the event will align your brand with the preeminent body for the asset management professional.

The event attracts over 400 delegates from a global audience, and offers great opportunities for networking and promoting your organisation to delegates, with technical functionality to support your brand awareness and engagement.

The conference is extensively marketed, including:

- Dedicated events webpages on IAM website
- Regular emails to IAM members and contacts
- Articles/adverts in Assets magazine
- Promotion through various media provided by our partners and supporters
- Social media updates
