Please scan the above QR code or click the link to access the conference platform

All individual paying members, reciprocal members, and corporate key contacts have been pre-registered for the event using the email associated with their IAM accounts. You will need to create a password on the platform to be able to access the event. If you have attended any past IAM virtual conferences, your password will be the same as you have used in previous years. You can reset this password by selecting “forgotten password” and following the instructions.

Non-members and those with free accounts will need to join as paying members to attend the conference.
