SPONSORSHIP SEALED-BID PROCESS

Following feedback on the process for who wins our exclusive sponsorship packages when more than one sponsor has expressed an interest, we are introducing a sealed-bid process.

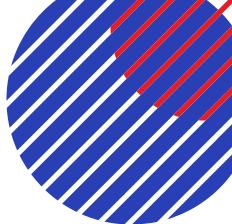

The process will only apply to exclusive sponsorship packages, as well as situations where the number of interested sponsors exceed the number of possible sponsor packages, (eg: track sponsor, technology showcase or Bundle Track/Joint Conference & standard Exhibitor Sponsorship).

How will it work:

- If you are interested in either the Headline Sponsor, Track Sponsor, Technology Showcase or the Eco Lanyard Sponsor, please express your interest to **Events@theiam.org** by **6th February 2026** as this is when the sealed-bid process will close.
- After this two-week period the IAM Office will review and see which packages have had interest from multiple sponsors. This information will be confidential to the IAM Office.
- If a sponsorship package has more interest than the number of packages available, the interested companies will be asked to submit a sealed bid within seven days to the IAM Office. This information will remain confidential. The prices indicated within this brochure are the minimum value for any bids.
- The highest bidder will be informed that their bid has been successful, and the contract will be sent out to the key contact. This contract will need to be returned within five days
- If the contract is not returned within the five-day window, the next highest bidder will receive the contract to sign.
