

IAM UK CHAPTER AWARDS 2026

Submission Guidelines

The IAM UK Chapter Awards acknowledge and celebrate the outstanding work done by asset management professionals, organisations and teams from across the UK.

Commitment, quality and foresight are vital to the success of asset management - along with innovation, adaptation and social awareness.

These awards are an opportunity for you to showcase the excellent work you're doing, wherever you are and whichever industry sector you operate in. By submitting your leading examples of good asset management practice, it's a chance for you to celebrate your successes and share them with a wider network across the professional landscape.

We can't wait to see your submissions, and to be able to share and celebrate the work you've been doing!
